Mia:

Copied on this email are the Interior representatives you should have on your email list for Silver Creek OU-3 emails. As you probably know by now, Dana Jacobsen and Chris Morley are colleagues of mine in SOL; Glenn Carpenter and Mike Turner are in the BLM District Office that has jurisdiction over the Silver Maple Claims site; and John Isanhart, Chris Cline, and John Wegrzyn are FWS representatives with respect to natural resources under FWS trusteeship at or near Silver Creek. Folks, if I have neglected to include anyone who should be on this list, please forward their name and email to Mia. Thanks.

Subject: OU3 negotiations

In furtherance of efforts to negotiate an agreement in an expedited manner, the Agency respectfully requested that parties exchange correspondences with each other by yesterday (so as to have time to deliberate on such before our call on October 13th). Having seen neither comments to our work items nor any interests identified in response to our letter, EPA is sending out this

reminder/request in an effort to make next Wednesday's call more productive for all. Thanks for your consideration.
